Andrii Khorishko

Full Stack Web Developer

Summary of Qualifications

Dedicated and efficient full-stack developer with more than 10 years of experience in application layers, presentation layers and databases. Certified in both F/E and B/E technologies. Spearheaded the successful conversion from LAMP to MERN, reducing latency by 40% and increasing database administrator effectiveness by 20%. Would like to further improve his HTML5 and CSS3 skills as a future full-stack developer at Atmospheric Solutions.
